Help make a wish come true this Christmas

Almost 4,000 children will receive life-saving care at Queensland Children's Hospital this December. Their wishes are not for toys or games - their wishes are for comfort, for answers, for more time.

With your support, we can help make a wish come true this Christmas. We can provide activity kits, gift deliveries, food hampers and a photo with Santa to make Queensland Children's Hospital a place of joy and comfort.

Our Fundraising Target:

Children's Hospital Foundation | ALH Hotels

a WISH for CHRISTMAS
